

Kehilla Community Synagogue Dues Pledge Form, 2008-2009

Instructions

Please use the dues calculator below to determine your household dues level for coming year. The current dues structure is **2.25% of gross income (minus the first \$10,000)**.

Because our community is currently stretching to achieve a number of our goals (including programs for teens, teacher retention and rebuilding our reserve funds), we are asking those member households who can afford it *not to exempt the first \$10,000 of their income* in determining their dues level for this year.
